Suweco CZ, s.r.o.

SUWECO CZ was founded in 1996 and it is one of the largest suppliers of periodicals and books in Central Europe at present.

We offer over 155 000 periodical titles, 2 000 000 book titles, CD-ROMs and daily journals from all over the world.

Our company distribute not only printed publications, but also provide access to their electronic versions. We have a lot of experiences in this area, because SUWECO CZ is managing the multilicence contracts of access electronic scientific databases with foreign publishers.

We have evolved the SUWECO ONLINE SERVICE for our customers to enable fast and simple access to these scientific databases. Users can enter the databases just by filling out an activation form. This online service makes possible to order journals from our catalogue, to review invoices and to settle claims comfortably from your home or office.

Through this product we want to ensure the effective work with electronic information sources and make our customers satisfied.
